**RE: Datascope WMS Implementation**

Dear Ben and team,

With the successful Datascope WMS implementations at our Chloorkop warehouse, Umbogintwini warehouse in Durban and our factory at Umbogintwini, we want you to know that we are very pleased with the quality of service your company has provided. We sincerely appreciate your responsiveness and the way you conduct business.

We have always been able to rely on your flexibility and courteous service.

Your staff has consistently made extra efforts to assist us in completing our projects on time.

After implementing WMS - Cycle counting efficiencies, stock control and efficiencies in the manufacturing environment has increased dramatically.

Thank everyone involved.

Yours sincerely,
